

REMOVE YOUR WORK AND RISK OF PAYROLL AND TAX PROCESSING!

There's a core element to AgriPlan and BizPlan, and to the medical expense deductions they offer: payroll. The employer must pay employed family members to take advantage of this tax-saving program. However, many small business owners don't want the burden of managing an ongoing payroll program. Eliminate this burden by adding the payroll feature to your AgriPlan or BizPlan today. All payroll checks, tax deposits, and returns will be processed on your behalf. Its really that simple!

AGRIPLAN, BIZPLAN AND PAYROLL

AgriPlan and BizPlan have teamed up with a national payroll vendor to provide you with 100 % deduction of your family health care expenses, and the management of your business' payroll needs too! Seamless. Comprehensive. Fast. Everything should work this well.
